So that number names will be understood and used correctly, we
recommend the following: Mathematics programs in the early
grades should make extensive use of appropriate objects,
diagrams, and other aids to ensure that all children
understand and are able to use number words and the base
properties of numerals, that all children can use the language
of quantity hundreds, tens, and ones in solving problems, and
that all children can explain their reasoning in obtaining
solutions. March 22, March 22 Part 01 - 70 Part 01 Virtual
