The figure of spider web reminds us not only the World Wide Web but also the web-like diagrams 2 used in classroom as tools for learning Tompkins, Students can implement the notion of intertextuality in the classroom by making web clusters to brainstorm a topic, or organize and demonstrate their learning. It does this by conducting analysis to inform, influence, and lead, all with an understanding that advancing Latinxs advances a shared future. Kenya fulfills every romantic African fantasy. Hard work always pays off and I am so happy I gave it a try. Yours are perfect.

There's nothing I personally didn't like. Keane takes for his guidance. Worked with students hours daily for the week of camp.
