Colorful, traditional dress. He has taken me to meet his family, talks about me to his best friends, the whole bit.

Even as the exact sciences sought to rid human thought of the excesses of the imagination, sought rigorously to define the boundary between the rational and the irrational, The Occult Mind proposes that such a program could not have succeeded if indeed it has succeeded were it not for this tertiary differential - the magical, and hence the fantastic - by which this duality could be effected. I was going to make that loaf. They keep their jewelry in the safe.
